Gymnastics Academy at DESS Introduction letter

I would like to take this opportunity to welcome you and your children to the Gymnastics Academy held at DESS and other schools in Doha. It is an independent, non-profit Gymnastics Academy, registered as a business under Qatar law. It caters for gymnasts of different abilities from the age of 4. The Academy has excellent equipment including air tracks, landing inflatable's, trampolines, beams, junior bars, tumble tracks, vault and a full floor. For the junior gymnasts we have lots of soft play equipment and matting.

All our coaches are fully qualified and we are extremely fortunate to have access to innovative choreographers to assist in our floor routines.

The world governing body of sport recognizes gymnastics as one of the three key core sports for children, alongside athletics and swimming.

Gym Sessions per week

Children initially attend gym once a week according to their age and ability. Opportunities are available for them to progress through the different ability groups. Once the gymnast has achieved certain skills, he/she may be invited to attend twice a week. **The Senior and junior squad attend 3 times a week.** Academy gymnasts regularly take part in displays and take part in the Qatar Federation competition called the Falcon Cup. Our gymnasts take part in Inter-Gulf Regional competitions and many of our gymnast do Gymnastics as part of their P.E. IGCSE and "A" Level qualifications.

The Academy is affiliated with British Gymnastics: trainee coaches are qualified through this organization. We also work closely with the Qatar Gymnastic Federation resulting in the ability of our squad members to train in their excellent facility on a Saturday.

School Regulations

The Academy is only permitted the use of the Multi-Purpose Hall (MPH) and the downstairs waiting area; therefore we kindly request that all gymnasts and their family members remain in these designated areas. All children must be collected from the foyer at the end of their sessions.
